HERE'S TO THE WINTER.

Now heap the embers high, and let the flow of indoor comfort be the outer chill!

November's wind shall find the cheering glow, And with its welcome with a gleaming light.

Old-fashioned winter with its frosty reign, Old-fashioned winter with its frosty reign.

We do not grieve thy coming, frosty king, With banners train of snow-crested wings!

Tiny icicles shall have a merry ring, To cheer the heart, and well-proportioned rain.

Thy carbon wheels shall have the frosty ring, To cheer the heart, and well-proportioned rain.

Thy carbon wheels shall have the frosty ring, To cheer the heart, and well-proportioned rain.

Thy carbon wheels shall have the frosty ring, To cheer the heart, and well-proportioned rain.

Thy carbon wheels shall have the frosty ring, To cheer the heart, and well-proportioned rain.

Thy carbon wheels shall have the frosty ring, To cheer the heart, and well-proportioned rain.

Thy carbon wheels shall have the frosty ring, To cheer the heart, and well-proportioned rain.

THE GRAND TRUNK RAILWAY OF CANADA.

Public Notice.—The extension of the Grand Trunk Railway, and the completion of the New line between Port Huron and Detroit, on the 1st of November next, will form a continuous Road under one Management from Detroit, (Michigan), to Toronto (Ontario), Montreal, Quebec and Portland, (Maine), thus establishing a new and easy route between the West and New England States.

The extension formed at Detroit with the Michigan Central and Northern Michigan and Northern Indiana Railroads, will enable freight to be sent through from St. Louis, Cincinnati, Chicago, Milwaukee, St. Paul and all points on the Mississippi River, with great dispatch than by any other route, as the completion of the Grand Trunk, will prevent any interruption of the traffic.

Only one transshipment between Portland and Chicago, and only one between Chicago and St. Louis.

The Grand Trunk, will enable freight to be sent through from St. Louis, Cincinnati, Chicago, Milwaukee, St. Paul and all points on the Mississippi River, with great dispatch than by any other route, as the completion of the Grand Trunk, will prevent any interruption of the traffic.
